

YES / NO / MAYBE

Get the conversation started with a YES, NO, MAYBE list!

This list can be a titillating way of discovering desires and fantasies, revealing avenues of exploration, and building intimacy. Check out the examples below for inspiration (you can even add your own!), then designate each idea into a YES, NO, or MAYBE, making sure to notate giving, receiving, or both. Exchange lists with your partner(s) and discuss.

! Consent must always be freely given and you and your partner(s) always have the ability to change your mind. Check in, use safewords, respect all boundaries, and have fun!
